

NEW LEARNING MANAGEMENT SYSTEM COMING!

During the week of February 22, 2010 the OSC Training & Development team will be rolling out a new Learning Management System (LMS). Some of the new/improved features included are:

- Cleaner, uncluttered appearance
- Role-based activity mapping
- Auto-assignment for Web-Based Training (WBT)
- Multiple quick search options
- Training Agents can enroll students individually or in a group registration
- User friendly reporting capability
- Ability to create pdf or excel documents from reports
- Single Sign On access through the SAP Portal
- Direct access to information with just a few clicks
- Training record history transfers with employee

Here's a screen sample of the Course Library screen:
